3.1 Application for Discussion at this Meeting

FUL/2022/0111 - Amended plans – Change of use of land to create a public car park and holiday lets use for accommodation, and erection of communal block and bin store, demolition of barn and replacement with micro-brewery and widening of site access.

Location: Land adjacent to Bowness House Farm, Bowness on Solway, Wigton CA7 5AF.

Amendment: Amended Plan C12 Rev B Proposed Drainage Strategy

It was noted that the original foul water drainage plan had been amended to a new proposed drainage system linking the four proposed shepherds' huts to a pumping station in the bottom of the field which will pump the waste water to the top of the site to link in with an existing foul water drain in the village.

The floor was opened to the public for discussion of the amended plans during which Mr Ian Hunter, the proprietor of Bowness House Farm, assured the members and others, amongst other matters, that the noise level of the proposed pump will be below 22 decibels when working.

After the discussion it was **proposed** by Councillor Reay and seconded by Councillor Carruthers that

There is **No Objection** to the proposed amendments. This was **approved** by **seven** councillors with **one** abstention and **one** objection.

There being no further business the meeting was brought to a close at 6.40pm.
